### About Us

Simulten is a consulting company founded in 2014 with the goal of improving the quality of life of as many people as possible. We do that by improving the culture of Diversity Equity and Inclusion in companies in a unique and highly effective way. Call us to find out how!

## Simulten

### How It Works:

Step 1: Employee feels or observes something that makes them feel not valued or respected.

Step 2: They call SIMULTEN's highly trained counselors to report what they saw, felt, experienced etc.

Step 3: SIMULTEN's counselors listen and ask questions to fully understand the situation. Then strategize as to what type of training is needed to improve this issue. That information gets sent to the Training, DE&I or HR Departments of your company.

**RESULT:** The employee remains completely anonymous and the company is made aware, in almost real time, where training is needed.
